Sharps

There was a question about our involvement with Spectrum's Sharps Container Exchange program.

We supply funding for sharps containers Spectrum uses for the public to participate in their program

Spectrum Health offers a sharps container exchange program. Sharps **MUST** be dropped off in an approved medical sharps container.

BRING ONE-GET ONE (empty sharps container)

- Spectrum Greenville Convenient Care: 1202 W Oak St. Suite 200, Entrance A Greenville 616-754-4685
- Spectrum Belding Family Medicine: 1227 W State St. Belding 616-794-0940

Other Items

MSHN allocated us \$800.00 through the State Opioid Response (SOR) – Overdose Education & Naloxone Distribution (OE/ND) grant project. Billboards advertising medication disposal messages would be a good use of these funds.
