Meeting Minutes
March 15, 2019

Present: Phil Millerov, John Kroneck, Ray Holloway, Tina McConnell and Leslie Kinnee

Symposium

The Recovery Symposium is set for April 13 at Greenville High School. At this point, sixty people have registered. Montcalm Prevention Collaborative will have a booth at the event.

Best Practices Packet/posters

The packet and Michigan Open posters will be sent out to providers (medical, dental and veterinarians) using the Health Department's database. Pending the Executive Board's approval, MPC will provide a fruit tray or a dozen donuts to offices that submit a photo of staff standing next to posters. Photos should be sent to communications@montcalmprevention.org. At a later date we'll ask if they are following the recommendations in the packet.

Collaborative Update

Seven youth made the trip to the National Youth Leadership Institute in February. An advanced youth leadership training will take place in July.

Communications Team Update

The Board has accepted a bid for website development.

NEXT MEETING: April 26, 2019 at 11:00.
