New drop box for GPS We briefly discussed the need for a better (larger or easier to use)

- I told Jodie that I would provide her with a couple examples for the boxes. Here are a couple links :

  - [https://www.amazon.com/Architectoral-Mailboxes-6900B-Elephantrunk-Parcel/dp/B00AESQ1FQ/ref=asc\\_df\\_B00AESQ1EW/?tag=hyprod-20&linkCode=df0&hvadid=242081901753&hvpos=1o6&hvnetw=g&hvrnd=17498187470983997165&hvpon=&hvptwo=&hvgmt=&hvdev=c&hvdvcmdl=&hvlocint=&hvlcphy=9017252&hvtargid=pla-405438500563&th=1](https://www.amazon.com/Architectoral-Mailboxes-6900B-Elephantrunk-Parcel/dp/B00AESQ1FQ/ref=asc_df_B00AESQ1EW/?tag=hyprod-20&linkCode=df0&hvadid=242081901753&hvpos=1o6&hvnetw=g&hvrnd=17498187470983997165&hvpon=&hvptwo=&hvgmt=&hvdev=c&hvdvcmdl=&hvlocint=&hvlcphy=9017252&hvtargid=pla-405438500563&th=1)
- There's quite a price difference. The higher priced box seems (in my opinion) easiest for officers to use.

Update from our participation in the Emergency Services Day Everyone agreed that the exposure was great

Sharps Leslie said that she is working on the Labels for the Sharps Containers and we discussed utilizing grant monies available from MSHN through the State Opioid Response (SOR) – Overdose Education & Naloxone Distribution (OE/ND) grant project to help support our Sharps Container program(s).

#### Other Items

- The group spent considerable time updating and revising the Action Plan for 2019. Jodie said that she would send out the revised plan to our work group (thank you Jodie)
- There was a brief discussion of technology usage and how collaboration might improve if everyone used the same platform for communications (Microsoft vs. Google).

Montcalm Prevention Collaborative update Jodie updated the group about upcoming dates for meetings and indicated that the focus going forward will probably include a Sustainability Plan.

Communications Team update John indicates that the Web Site is progressing nicely and there was some discussion about polling the members of this team as well as possibly the full coalition to document suppliers, list contractors, and build a data base of who is/has been responsible for various tasks, etc.

#### **Next meeting:**

**July 19<sup>th</sup> from 10:00 to 11:30 p.m. at the Mid-Michigan District Health Department in Stanton.**

Respectfully Submitted: E. Ray Holloway
